The Tweed Foundation's annual Auction provides an opportunity to experience some of the best fishing available on Tweed, whilst supporting the River.

All proceeds from the Auction go to The Tweed Foundation in support of its work.

The Tweed Foundation is a charitable company limited by guarantee set up to protect and enhance fish stocks in the Tweed and is at the forefront in bringing a more objective scientific and professional approach to the management of freshwater fish stocks.

AUCTION CONDITIONS

1. A rod may be shared by up to two people, but no more than this.
2. Fishing is with fly only from 15th September. Before that, spinning will be allowed.
3. Fish may be kept but not sold.
4. In line with general fishing practice, no refunds will be given if any day's fishing is lost under any circumstance.
5. All bids must be made in **whole** Pounds Sterling and, if successful, payment should be made in Pounds Sterling also. The addition of any pence will invalidate the bid.
6. Successful bidders will pay The Tweed Foundation direct.
7. Payment **must** be received within 14 days of being notified of a successful offer. Payment will be by cheque made payable to **The Tweed Foundation**, or by Bank Transfer - contact the office for details to pay by this method. If full payment has not been received within two weeks of notification, the sale may be rescinded without any notice being given to the buyer.
8. All successful bidders will be notified in writing within two weeks of the Auction and the bidder will be put in contact with the donor, and/or their appropriate agent or boatman, once payment has been received.
9. Boats and Boatmen are normally provided on a shared basis. The donor will act as one of the boatmen for the day on Lot 8. Lot 6 has limited access to one boatman. Lot 9 and Lot 36 have one boatman. On Lots 13 & 14, the boatman is a qualified Speycasting instructor who can provide free tuition on the day if required. Lot 38 has two boatmen.
10. Whilst the Auction has some Lots that are a beat's full complement of rods for a day, it should be noted that **on most beats** there will be other rods fishing as well as those purchased in the Auction.
11. Fishing may **not** be sub-let.
12. All rods must abide by the Tweed Angling Code.
13. Lots are sold as shown. No negotiations to alter a day bought in the Auction can be entered into either with The Tweed Foundation or the donor. Descriptions listed are purely to give an indication of the beats' potential and are no guarantee of catches or performance.
14. The Tweed Foundation retains the right to refuse a bid, even if that bid is the highest offered for a Lot. Bidders attaching their own caveats to their offer

The Trustees of The Tweed Foundation would like to express their thanks to the following, who have so generously donated fishing to this Auction or who have given financial contributions in lieu of fishing:
